While working on Bible prep today, I was reviewing the book of Acts. Paul did many things that we need to look at and emulate his process. Remember, he didn't invent it just a good teacher of Jesus. Jesus called him for a reason, a learned good student. Paul showed us how we should do things by example,

Acts 17:17

17 So he reasoned in the synagogue with both Jews and God-fearing Greeks, as well as in the marketplace day by day with those who happened to be there.

Paul went there day after day preaching the gospel in a way they would understand; debate. He did not change the gospel just the delivery. The same thing we need to do today. Music is different for kids, adults and seniors. Message stays the same but teaching milk or meat based upon their education. Jesus calls us to do this no matter what.

Acts 14:5 New International Version

5 There was a plot afoot among both Gentiles and Jews, together with their leaders, to mistreat them and stone them.

Not only to mistreat but to kill. What does this remind you of? Jesus and his death. To be crucified you were tortured, humiliated and at the end killed. This is what Paul went through. Whenever the Jes could not defeat you by logic or verses they would get rid of you. After

all they were learned and studied so should know better. But Paul was anointed by the Holy Spirit. We need to remember that Christ will be there for us too.

2 Thessalonians 3:3 New International Version

[3] But the Lord is faithful, and he will strengthen you and protect you from the evil one.

Walking in His protection,
