When the residents thank you so much for just showing up with the word of God it gives you a good feeling. When you have down the bible service for about 5 years and some of them have been there that long as well, they get to know you and look forward to your visits. They look forward to the time together.

Hebrews 10:24-25 New International Version

[24] And let us consider how we may spur one another on toward love and good deeds, [25] not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

We need to get together and spur one another on. This is why I am there each week. To recall Gods promises to us with fellow Christians and to allow them to remember their church teachings. Not because the church saves them, Jesus does. But this reminds them of what they learned and that we are on the same page. We are there for more than the Bible verses, we get to know one another. I ask about their family and they ask about mine.

Acts 2:42 New International Version

The Fellowship of the Believers

[42] They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer.

We are vested into each other's lives and get to know one another. Realizing we will see each other in heaven forever. We are going to be there because of Christ promises to us. That we are also walking with Him when we fellowship.

1 John 1:7 New International Version

7 But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all[a] sin.

His blood was shed so we can go to heaven with Him. We walk with Him and our fellow Christians enjoying life here on earth before our forever.

Walking with Him,

Chaplain Tony
