We fight hard in this life to get onto a grove. To have a routine to follow. As we age, it gets harder and harder to hold, Our body slows down. We retire, move, lose loved ones and some lose memory. To watch our friends and loved ones go though this it is hard to witness and even harder when it starts to happen personally. But God addresses this In His teachings.

Proverbs 3:5-6 New International Version

5 Trust in the Lord with all your heart
and lean not on your own understanding;
6 in all your ways submit to him,
and he will make your paths straight.[a]

We must trust in Him not our own understanding. This body won't last forever. It will slowly break down and the Bible warns us of this. Things in this world is temporary.

1 Corinthians 7:31 New International Version

31 those who use the things of the world, as if not engrossed in them. For this world in its present form is passing away.

It will all pass away and a new one will come. One that we cannot see, understand or make for ourselves. We find it hard to let go and let God take control but this is what we must do.

Deuteronomy 31:6 New International Version

[6] Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you."

He is so strong he will never leave us or forsake us. The Bible says he has a perfect plan. We need to trust in this and Love Him!

Loving Him,

Chaplain Tony
