Trust in the Lord.

After a long day where things don't seem to go well, we need to stop and trust in the Lord. He has a perfect plan, one that we cannot see the outcome until it happens:

Proverbs 3:5-6

New International Version

**⁵ Trust in the Lord with all your heart
and lean not on your own understanding;
⁶ in all your ways submit to him,
and he will make your paths straight.^[a]**

We need to be all in with our whole heart. Not just dipping our toes in. Trust in Him fully and not in our own understanding. We get it wrong too much. God knows the ending already where we do not. So, use his understanding.

The hard part is we need to Submit. This word is hard for many people, and even me before I was saved. I wanted to rely on my own strength not anyone else. If we want to rely on Him God will make our paths straight.

Christ says in the New Testament:

Mark 11:23 Niv

²³ “Truly^[f] I tell you, if anyone says to this mountain, ‘Go, throw yourself into the sea,’ and does not doubt in their heart but believes that what they say will happen, it will be done for them.

But remember God wort about this from the beginning of time. Jesus was Just repeating what He said in the old Testament:

Isaiah 41:10 Niv

**¹⁰ So do not fear, for I am with you;
do not be dismayed, for I am your God.
I will strengthen you and help you;
I will uphold you with my righteous right hand.**

Rely on Him, walk with Him,
