While doing services in nursing homes, you get to feel the joy of others remembering the scriptures. You don't go too far into the meat staying in the milk, but this is because they cannot understand as much as they could when they were young. The meat was easy to remember then, but now just getting into it a bit recalls their memories.

1 Corinthians 3:2 New International Version

[2] I gave you milk, not solid food, for you were not yet ready for it. Indeed, you are still not ready.

At this point in their lives they are not ready for it. At one point they might have been but now no longer. You as a fellow Christian must be able to figure out what other Christians are ready for. I do not do this on my own, I stay in prayer and meditation. Asking God what they need at that time. Asking for His provisions.

James 1:5 New International Version

[5] If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.

We as Christians need to ask for this wisdom. To be able to follow Him well and Obey! We need to remember we do all this for his Glory but

He loves us so much he will give us what we ask for as long as it is in His will and plan. God Provides.

Matthew 7:7-8 New International Version

Ask, Seek, Knock

7 "Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. 8 For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened.

I am seeking Him always,
