8 Oct 2026

When we start to lose our mobility, we tend to look back and ask Why? Why is God allowing this to happen? What is He trying to do or show? God has a plan for all of and we are living it. He made this plan before time started.

Jeremiah 29:11

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." – Jeremiah 29:11

He has a plan but it doesn't say perfect let's look deeper into the verses.

Isaiah 41:10 New International Version

10 So do not fear, for I am with you;
do not be dismayed, for I am your God.
I will strengthen you and help you;
I will uphold you with my righteous right hand.

So, he is protecting us personally. What type of God is he? What is he able to do? What can he do?

Deuteronomy 32:4 New International Version

[4] He is the Rock, his works are perfect,
and all his ways are just.
A faithful God who does no wrong,
upright and just is he.

We have a perfect God but why does bad happen? Number one God gave us a gift of free choice. And number two Satan still has control of this world.

2 Corinthians 4:4 New International Version

[4] The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God.

So Satan blinds non-believers. This is why once we believe in Him, we ask why couldn't we see this before? This is why. Believe in Him and Follow Him.

Following Him and believing,

Chaplain Tony
