

**15 April 2026**

**As I sit here in the dark, with the power out. I am reminded how we are dependent on many things that we should not be. I am typing this on my tablet without power and working on it. Remembering we should not be this dependent on anything. Expect one thing:**

**Proverbs 3:5-6**

**New International Version**

**<sup>5</sup> Trust in the LORD with all your heart  
and lean not on your own understanding;  
<sup>6</sup> in all your ways submit to him,  
and he will make your paths straight.<sup>[a]</sup>**

**We should be on God. All other things are what the adversity uses to take away are attention. We need to remember where it is from. I will overcome this not because I am someone special but because I follow God. Often, we forget who we are supposed to follow. In this microwave society where everything is not God teaches us delayed gratification.**

**Proverbs 22:7**

**New International Version**

**<sup>7</sup> The rich rule over the poor,  
and the borrower is slave to the lender.**

**This is just one place where God put it to us in the Bible. When we borrow for gains right now we are giving up our control;. Where if we just waited and build slowly, we would be ok. We need to stop and look. Need to see what to day and most of all pray to God for the answers.**

**Jeremiah 33:3**

**New International Version**

**<sup>3</sup>‘Call to me and I will answer you and tell you great and unsearchable things you do not know.’**

**We need to stop and call on him for Him only.**
