When you go to see a family, get to know them then the patient passes it is hard on everyone. We need to remember to love the family. What can make it harder is when the family doesn't know if they are saved. They knew their loved one knew the name, but did they know Him? We need to investigate the Bible to find answers. We need to start with the basics:

John 3:16 New International Version

[16] For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

So, the first step is to confess who He is. Our savior and we could not be saved without him. But is this enough? After all the daemons know the name Jesus and it isn't enough for them.

James 2:19 New International Version

[19] You believe that there is one God. Good! Even the demons believe that—and shudder.

They shudder but this isn't enough for salvation. They end up somewhere that is forever for them but not as enjoyable for them. Afterall, they chose not to believe in God. So, they go somewhere God is not.

Revelation 20:10 New International Version

[10] And the devil, who deceived them, was thrown into the lake of burning sulfur, where the beast and the false prophet had been thrown. They will be tormented day and night forever.

But where do the people Go that don't believe? The Bible is clear with what happens to them:

Hebrews 9:27 New International Version

[27] Just as people are destined to die once, and after that to face judgment,

So they face judgement and go the one place without God in the pit with the daemons or non-believers forever separated from God. So, how can we be sure we are saved?\ We will cover that tomorrow.

Walking With Him,
