Yesterday we were talking about how things change quickly. We are shocked and do not know what to do. Forgetting we are not promised tomorrow. At least here on earth. Forever in heaven but not on earth.

James 4:14 New International Version

14 Why, you do not even know what will happen tomorrow. What is your life? You are a mist that appears for a little while and then vanishes.

We are to vanish in this lifetime. As believers we go into heaven forever but the non-believers have no hope. Without Jesus this life is all you got. This is why we need to help others find God.

1 Peter 1:3-4 New International Version

Praise to God for a Living Hope

3 Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, 4 and into an inheritance that can never perish, spoil or fade. This inheritance is kept in heaven for you,

This is what we need to teach others, including our loved ones. We want them in heaven with us. While we do not save them we plant the seeds. The Holy Spirit saves. We need to keep on planting. We need

to keep on pushing forward. We have no idea who God is going to save but we still need to plant the seeds. To allow as many as possible to be saved and go onto heaven.

Ephesians 2:8-9 New International Version

[8] For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God— [9] not by works, so that no one can boast.

We need to remember that this is offered to all of us. We need this relief.

Working towards Him.
