Sometimes I am asked why I as a chaplain carry around a Bible with me. Our phones and devices have digital Bibles. I like to advertise what I am often I get questions and draw people around me. There is also something about the physical Bible that I love. We need to look things up and learn the word of God.

2 Timothy 3:16-17 New International Version

16 All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, 17 so that the servant of God[a] may be thoroughly equipped for every good work.

We study to be equipped in the word of God. This world thinks differently and we need to stay focused on God. Walking with Him and learning from him. What are we trying to learn? What are we going to do? We want to learn about His will and His love.

Romans 12:2 New International Version

2 Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.

As we learn we can test and approve God's will. The world doesn't think the same as us and we need to remember this. The world is following the adversary, and he doesn't think like God. We are thinking

and working with God learning from Him. What else can we do to ensure we stay on the right path?

Colossians 3:16 New International Version

[16] Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts.

We teach one another, equipping each other to be able to spread the word of God. We reinforce ourselves by getting back together and praising God. In hymns songs and sharing wisdom.

I am walking Him each day.
