When your patents get close to the end of life and they don't have many loved ones it Tends to sadden the nursing home staff. This is usually when they start to get favorites and it really affects them. They were saddened by the lack of visitors and fill that Gap, then when they pass they are grieving for like family.

1 Thessalonians 4:13-14 New International Version

Believers Who Have Died

[13] Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. [14] For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him.

If we remind believers, this it will go a bit better. They still hurt they still cry and will miss them, but we will see our fellow believers again in heaven. The time table us different there as well. It will be forever.

Isaiah 57:15 New International Version

[15] For this is what the high and exalted One says—
he who lives forever, whose name is holy:
"I live in a high and holy place,
but also with the one who is contrite and lowly in spirit,
to revive the spirit of the lowly
and to revive the heart of the contrite.

With Him forever in a high holy place and revive our spirits. He will revive us in our perfect spiritual bodies. No more pain no more suffering. Things as small as eyeglasses no more need. We will be with Him.

2 Corinthians 4:16-17 New International Version

[16] Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. [17] For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all.

What will become far outweighs what we are now. Rejoyce in this, He loves in.

Basking in His love,
