Working on Bible studies today and was reminded the challenges Paul ran into along with most of the Bible. No matter how much we can preach the gospel people still would not listen. Paul Had this issue he was on fire for the lord but wasn't believed like most of the Old Testament.

Acts 19:26 Niv

26 And you see and hear how this fellow Paul has convinced and led astray large numbers of people here in Ephesus and in practically the whole province of Asia. He says that gods made by human hands are no gods at all.

Paul was rocking the boat. Changing the ways things should be done. Just like Christ and just like in the Old Testament.

Isaiah 6:9-10 New International Version

9 He said, "Go and tell this people:

"'Be ever hearing, but never understanding;

be ever seeing, but never perceiving.'

10 Make the heart of this people calloused;

make their ears dull

and close their eyes.[a]

Otherwise they might see with their eyes,

hear with their ears,

understand with their hearts,

and turn and be healed.”

The Bible is clear, but the people don’t wan t to hear. We can not expect to make idols with our hands and worship them as Gods. We do It today. Their names are money, power, prestige. We chase these and even make the rewards with our hands, idols of clay and Gold.

Deuteronomy 4:28 New International Version

28 There you will worship man-made gods of wood and stone, which cannot see or hear or eat or smell.

Worship God only, chase Him and he will provide what you need for life and relaxation.

Chasing God each day,
