When you go into the nursing home, they are thankful for your visit. Especially when you bring something with you to Share. In my case Bible studies but for you, it can be anything. Just go with your gifts that you were given by God.

1 Peter 4:10 New International Version

10 Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.

So, we use our gifts with each other, but what are those gifts? What dose the lord provide to us? We are given these gifts and talents for a season, a couple or our whole life. My give is evangelism. Yours differs based on what you are good at.

Romans 12:6-8 New International Version

6 We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your[a] faith; 7 if it is serving, then serve; if it is teaching, then teach; 8 if it is to encourage, then give encouragement; if it is giving, then give generously; if it is to lead,[b] do it diligently; if it is to show mercy, do it cheerfully.

We then use our gifts that are given to us. We know what those gifts are based on what we enjoy and are good at. Now use them to be able to share the gospel with one another and love one another.

John 13:34-35 New International Version

34 "A new command I give you: Love one another. As I have loved you, so you must love one another. 35 By this everyone will know that you are my disciples, if you love one another."

People will know we are His disciples by showing this love. To anyone anytime and anywhere. Love and let them see Christ in you!

Showing Christ's love,
