Preparing to do something different is often hard. We as humans get used to the way we do things and don't want to change. Especially when we get older. I think this is why many senior citizens resist going into the nursing homes. We need to remember they are not trying to be difficult they are just used to doing it a certain way.

Proverbs 16:9 New International Version

9 In their hearts humans plan their course,
but the LORD establishes their steps.

We may start to plan our ways but the lord sets our steps or leads us to where we need to go. We Sometimes forget that truly He is in Charge, but this is the case and always is. He may sit back and watch us plan and pack, but in the end he sets the way. We go where He wants us to.

Haggai 1:5-7 New International Version

5 Now this is what the LORD Almighty says: "Give careful thought to your ways. 6 You have planted much, but harvested little. You eat, but never have enough. You drink, but never have your fill. You put on clothes, but are not warm. You earn wages, only to put them in a purse with holes in it."

[7] This is what the LORD Almighty says: “Give careful thought to your ways.

So remember if we are not walking in His ways we are not living His perfect plan. This plan we thought up isn’t as fruitful as His. If you are missing things in your life or feel it could be better stop and think and pray can it be better? What am I doing wrong? Then walk with Him.

Jeremiah 29:11 New International Version

[11] For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future

Walking in His plans,

Chaplain Tony
