When hospice patient sees the chaplain and they have been a believer all their life. As they hear the scriptures, they start to say the verses as well. Knowing them and remembering them,

Psalms 119:11 NIV

I have hidden your word in my heart that I might not sin against you.

They have hidden he word in their hearts that they will not forget it even when they are not holding a bible. They know Jesus' promises. As I am going through the verses, they are not only completing them but stating related facts from the Bible.

John 16:13 ESV
When the Spirit of truth comes, he will guide you into all the truth, for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come.

The Spirit of Hod is reminding you the verses that we have learned and leading you into the next stage of life. Not only bring peace to the patient but the family as they listen to their loved one.

Romans 8:1-39 ESV
There is therefore now no condemnation for those who are in Christ Jesus. For the law of the Spirit of life has set you free in Christ Jesus from the law of sin and death. For God has done what the law, weakened by the flesh, could not do. By sending his own Son in the likeness of sinful flesh and for sin, he condemned sin in the flesh, in order that the righteous requirement of the law might be fulfilled in us, who walk not according to the flesh but according to the Spirit. For those who live according to the flesh set their

minds on the things of the flesh, but those who live according to the Spirit set their minds on the things of the Spirit,

We are walking with him as we draw close to the end of our stay on earth getting ready for our forever with the one and only true God,

Waiting for the day,

Chaplain Tony
