One of the things you don't want to get messed up is salvation. This lifetime may seem long 80, 90, 100 years. If you like music Amazing Grace says after 10000 years, so much longer than here on earth. This is something we don't want to get wrong. If we Don't follow Christ, then the only alternative to heaven is somewhere I don't want to go.

But how can we get it wrong? Many people think they do works TO be saved. If this is the right attitude, then We are never going to be saved. We DO works BECAUSE we are saved. Sounds the same but isn't. We go to work for them money, but we follow Christ because he has already Given us this free gift, or the money. Now that we have it, we rejoice in The Lord!

When we were a child, and our parents ask us to help them this weekend in the workshop or sewing room we don't do it for the vast amounts of money. We do it to Spend time with them. This is why we are saved too. When we help our parents, they already love us. We don't work for their love. Same with Chrit:

John 3:16

New International Version

¹⁶ For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

He already loves us. No need to earn it, he already died for me about 2000 years Ago before I believed in Him. Now, I do His work because:

Ephesians 2:8-9

New International Version

⁸ For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God— ⁹ not by works, so that no one can boast.

I rejoice in His gift for me and all of us, I did not earn it but, was given freely. The only option is to live a perfect life like He did or die and resurrect like He did.

I am grateful for His gift,

Chaplain Tony
