Life is full of many choices. The reason for this is that God gave us a wonderful gift of free Choice. He wanted us to Choose Him not be forced into it. Often, we choose the wrong things in life, not choices that would affect our salvation, but choices that will effect our life. We get to live and work and play where we choose to. If we happen to choose wrong, we can still go on but life may not be as grand as it could have been. This didn't surprise God he knew our choices; he wanted us to be able to make them. I almost look at it like God is outside of time and space. He knows our choices just as he knows the outcome of all. He is letting it play out as is. Often, I wonder if heaven is also outside of time and space and this is why it is forever. I feel that God is allowing us to perceive time going so fast towards the end of life for us to get ready for the hereafter. Now, none of these things I perceive, feel or am talking about here is in the Bible. I am stating what is according to Tony not in the Bible. The Bible Tells us:

**The LORD has established His throne in the heavens,
And His sovereignty rules over all.**

— [Psalm 103:19](#) (NASB)

“Stop collecting treasures for your own benefit on earth, where moth and rust eat them and where thieves break in and steal them. Instead, collect treasures for yourselves in heaven, where moth and rust don't eat them and where thieves don't break in and steal them.”

— [Matthew 6:19–20](#) (CEB)

But our citizenship is in heaven—and we also eagerly await a savior from there, the Lord Jesus Christ, who will transform these humble bodies of ours into the likeness of his glorious body by means of that

power by which he is able to subject all things to himself.

— [Philippians 3:20-21](#) (NET)

These are three things we do know about heaven and where our citizenship is I will continue this thought tomorrow but remember a lot of heaven is the unknown. God hasn't told all of it to us.

Waiting for my time in Heaven,

Chaplain Tony
