

20 May 2026

Yesterday we talked about being in God's plan. But when it doesn't seem to be moving we get anxious. Often forgetting that His time is different than ours. God is forever, a few weeks or years is Nothing to Him. To us seems like forever! We get impatient and act on a plan we are going to strike out on thinking it is what God wants us to.

Remember Moses, after 40 years of learning and knowing he was to save his people he struck out on his own:

Exodus 2:11-15

New International Version

Moses Flees to Midian

¹¹ One day, after Moses had grown up, he went out to where his own people were and watched them at their hard labor. He saw an Egyptian beating a Hebrew, one of his own people. ¹² Looking this way and that and seeing no one, he killed the Egyptian and hid him in the sand. ¹³ The next day he went out and saw two Hebrews fighting. He asked the one in the wrong, "Why are you hitting your fellow Hebrew?"

¹⁴ The man said, "Who made you ruler and judge over us? Are you thinking of killing me as you killed the Egyptian?" Then Moses was afraid and thought, "What I did must have become known."

¹⁵ When Pharaoh heard of this, he tried to kill Moses, but Moses fled from Pharaoh and went to live in Midian, where he sat

Now he is on the run! People thinking he messed up not, but God used this impatience into launching his next part of the plan: 40 years learning about the land. These are the things he could not learn from

the textbooks, watering holes, Leading and shepherding people skills you don't get in a textbook.

This teaches us we cannot mess up God's plan. He is bigger than us. His plan will continue to grow and guide us:

Jeremiah 29:11

New International Version

¹¹ For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future.

Remember His plans are to enrich your life. Live in his Guidance.

Rejoicing in the lord,

Chaplain Tony
