We talked yesterday about how God made everything:

Genesis 1:1

New International Version

The Beginning

1 In the beginning God created the heavens and the earth.

Something from nothing. I see how God really had 3 choices on how to make the world.

Choice 1- To make it like a program in the roots. The old if then routine. When I was a kid, you programmed a computer this way. Line 100 statement, line 110 if yes go to 200. The program dictated how things went. You had no choice but if it played out a way you only had one choice so a world without free Choice.

Choice 2- create a world and then let it go to its own devices. In essence a world with out God and no evidence of it.

Choice three- create a world and then periodically interject your plan into it. This is the world we have. A world with God's plan:

Jeremiah 29:11

New International Version

¹¹ For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future.

I cannot describe how this feels to a non-believer. A God that will create a perfect plan for me to live out. Yes, there will be trouble and strife, but I caused this with free choice. With God's knowledge but by my choice. I must live with this knowledge, but with tis also:

John 3:16

New International Version

¹⁶ For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

Loved me so much to die for me so I can be with him forever.

Basking in His glory,
