Today we are going to talk about greed. We mentioned it yesterday and covered free choice and Greed falls into this free choice. The devil has been practicing for thousands of years how to get to each one of us. The way we sin might have changed over the years, but the sin has not. Greed is covered in the Bible:

Matthew 6:24

New International Version

²⁴ “No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money.

We can not serve money and God, but the devil sure makes it look good for others to follow. And when they follow the money or any other sin it takes their focus off God:

Ezekiel 14:3

New International Version

³ “Son of man, these men have set up idols in their hearts and put wicked stumbling blocks before their faces. Should I let them inquire of me at all?

God asks should I let them talk to me at all? The answer is no, when we focus on stuff we can not hear God. Yes, we can pray for your

needs but how we pray is important. God provide, for family, money a place to live this are good because we are asking God to provide. When we just pray for these things without asking for God provision we lose sight of who has given it to us:

Colossians 3:2

New International Version

²Set your minds on things above, not on earthly things.

Yes we can ask God for things to let us rest and unwind but still work 6 days rest one. We need to keep focus on this
