Yesterday we were talking about what God wants us to excel at, and we left off on Love. While this is probably the most important after all the greatest commandment but what else does the Bible say?

Joshua 1:7

New International Version

⁷ “Be strong and very courageous. Be careful to obey all the law my servant Moses gave you; do not turn from it to the right or to the left, that you may be successful wherever you go.

Follow Gods laws. It is too easy to stop and follow the worlds laws but remember Jesus’ thinking was very different from the world thinking. One such example can be found in the sermon on the mound:

Matthew 5:44

New International Version

⁴⁴ But I tell you, love your enemies and pray for those who persecute you,

This was not how the world thought but this is how Jesus thought. He was consistently reminding us to love including our enemies.

We need to remember this and love everyone this doesn't mean love their sins, it means love them. A pastor mentor told me years ago we love the sinner not the sin.

Always loving,
