

5 June 2026

We talked yesterday about how God created everything. Remember in Genesis:

Genesis 1:1-2

King James Version

1 In the beginning God created the heaven and the earth.

² And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

So, he did it from nothing. Verse 2 says from darkness, something from nothing is what God did. We humans create something from something. We need something to start with. Reminds me of the joke that started to circulate around the time scientists cloned dolly. The joke went like this:

Scientist was talked to God. God, we done need you anymore we can do the same thing you can did you hear we can now clone animals. God sad really, show me. Scientist said look we take a bit of this dirt, and then God interrupted him saying wait, get your own Dirt. Saying if you are going to do what I did start the same way; from nothing.

We can only make something from something not from nothing.

Revelation 4:11

New International Version

**¹¹ “You are worthy, our Lord and God,
to receive glory and honor and power,
for you created all things,
and by your will they were created
and have their being.”**

Remember He did this creating everything from nothing. Calling it into existence.

John 1:1-5

New International Version

The Word Became Flesh

1 In the beginning was the Word, and the Word was with God, and the Word was God. ² He was with God in the beginning. ³ Through him all things were made; without him nothing was made that has been made. ⁴ In him was life, and that life was the light of all mankind. ⁵ The light shines in the darkness, and the darkness has not overcome^[a] it.

Following Him in all His creations,

Chaplain Tony
