

2 July 2026

Yesterday we talked about who we could count on. Relying on God. Now, the hard part is He has a perfect plan for us, and it is not our plan. So, while we think God messed up his plan is a heavenly plan we will not understand until we get there:

Jeremiah 29:11

New International Version

¹¹ For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.

Now, at first, we think if he did it right I would be rich, or smart or powerful. All earthly thinking, God often knows what we can not handle and doesn't give it to us. If we need an example of this, Look at many lottery winners. Broke in a few years. They thought they knew what they needed and thought money would solve it. Trusting in Him will solve it.

Psalms 55:22

New International Version

**²² Cast your cares on the Lord
and he will sustain you;
he will never let
the righteous be shaken.**

We need to count on Him and be with Him. Even when we don't get what we think we deserve. Don't force it, it is His plan not yours. Submit to him. Tomorrow we will dive deeper.

Walking with Him,

Chaplain Tony
