

5 July 2026

Coming off a Holiday can be hard. Usually too much fun, food and bubbles. Noting wring these but in moderation. This is what we were talking about yesterday. Excess, overdoing it, or a microwave society. Same topic, We want it now the Lord says to wait on him:

Psalm 27:14

New International Version

**¹⁴ Wait for the Lord;
be strong and take heart
and wait for the Lord.**

So, the heavenly father asks us to wait on Him or his timing. Just like when our earthly father asked us the same thing as a child not to hold us back but to show us how to do it. We learn to grow in every situation. God asks us to wait to see exactly what He has planned for us this will look differently then what the adversary has planned. Remember he wants us to grab and rush through life.

Proverbs 21:5

New International Version

**⁵ The plans of the diligent lead to profit
as surely as haste leads to poverty.**

So, when we rush in or want it now like the adversary way will lead to poverty. May look good for a bit but remember where the adversary is

going:

Revelation 20:10 Niv

¹⁰ And the devil, who deceived them, was thrown into the lake of burning sulfur, where the beast and the false prophet had been thrown. They will be tormented day and night for ever and ever.

And for those who followed him?

Revelation 21:8

New International Version

⁸ But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—they will be consigned to the fiery lake of burning sulfur. This is the second death.”

I want life not the second death.

Living through Him,

Chaplain Tony
