

14 Aug 2026

It is difficult to see your loved ones start to break down over time. Usually either mentally or physically. Starts to forget things then times together then people. Others start to lose mobility. Either way these bodies do not work the way they were created. This should not surprise us:

2 Samuel 14:14

New International Version

¹⁴ Like water spilled on the ground, which cannot be recovered, so we must die. But that is not what God desires; rather, he devises ways so that a banished person does not remain banished from him.

The first part of the verse reminds us that we will all die our bodies will wear out but look at the second part! He has a way that we can be with Him forever. How can we do it. We cannot, Jesus can. We just need to accept the gift.

John 3:16

New International Version

¹⁶ For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

We have everlasting life if we believe. Believe in what? How? This is the question for the generations and the answer is easy. We, as humans, try to make it harder to be more worthy. Look at the religious

leaders of the Old Testament. Making over 600 laws to follow. Jesus did not want this. He put it simply:

Romans 10:9

New International Version

⁹ If you declare with your mouth, “Jesus is Lord,” and believe in your heart that God raised him from the dead, you will be saved.

So we accept His gift and follow Him!

Following Him always,

Chaplain Tony
