**We left off yesterday with following Jesus. Seems too easy, yes?
Some churches break it down to the ABCs of Christ for salvation. We must accept for the A. Accept we are a sinner.**

Romans 3:23

New International Version

²³ for all have sinned and fall short of the glory of God,

The starting point is to admit this and not just some of us but all of us each generation from Adam until now. Adam started it with the forbidden fruit and don't say it was Eve who picked it Adam tried to pass the busk to her and God saw it for what it was: An excuse. We must admit there is a problem before we can find the solution. If we do not, we are not ready to change. This leads to the B- believe in Christ. We all heard of John 3:16 and Gods promise but we need to remember this is a black and white issue. Stop or go, all in or not, no lukewarm. Whit this said there is only one way to save:

John 14:6

New International Version

⁶ Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me.

We are only saved because of Christ's gift for us! Nothing else I can not do it on my own. If I could then I could live a perfect life which I cannot. Or I would be able to resurrect from the dead which I cannot. We need to remember this. This now bring us to the C: confess.

Romans 10:9-10

New International Version

⁹ If you declare with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved. ¹⁰ For it is with your heart that you believe and are justified, and it is with your mouth that you profess your faith and are saved.

Now there is more to it once we are saved we follow him which is a different topic but we need to get to here first so remember it is this basic this easy, to start you journey with Christ.

Walking with Him each day,
