Sometimes what we plan in life doesn't happen. The patients in nursing homes probably never dreamed they would be there but there they are. There in God's perfect plan where they have aides, nurses, house keeping and cooks all there to take care of them.

Proverbs 3:5-6

New International Version

**⁵ Trust in the Lord with all your heart
and lean not on your own understanding;
⁶ in all your ways submit to him,
and he will make your paths straight.^[a]**

Trust in the lord. He will take care of you and provide for you, but we have to rely on Him. When we try to go out on our own it is like a little kid trying to pack up to run away. Humorous at first then becomes serious. They have no need to be out on their own and neither do we. We need God to lead us, guide us.

Psalms 145:13

New International Version

**¹³ Your kingdom is an everlasting kingdom,
and your dominion endures through all generations.**

**The Lord is trustworthy in all he promises
and faithful in all he does.^[a]**

**He offers us an everlasting Kingdom we can trust everything he says,
we need to Rejoyce in that! Each day enjoy his plan and live in it. Find
where He wants us to go.**

Walking in His plan,

Chaplain Tony
