Sometimes in life the day is just boring. Nothing that happened and no life changing events. Just an average day going through the steps. But often in life this is how it is it could take 100 visits to someone to get through to them. It could be that you never do but you planted the seeds then the next person has the breakthrough.

The story how Charles Spurgeon was saved by a lay preacher when the pastor was snowed in shows how someone untrained and ill equipped can make a difference. Sometimes not even knowing who you save. Just going through the steps as God calls him. Because the 16-year-old Charles wasn't know yet. Wasn't famous but had a fire lit.

We as Christians must lit tis fire in others:

Hebrews 10:24-25

New International Version

²⁴ And let us consider how we may spur one another on toward love and good deeds, ²⁵ not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

We need to be spurring each other on, but remembering where this fire comes from. God himself gives it to us freely:

Hebrews 12:29

New International Version

²⁹ for our “God is a consuming fire.”^[a]

Enjoy His fire, His presence, His love. Walk with Him each day.

Walking with Him,
