As a chaplain you must pick where and when you talk about God. You run into non-believers everywhere and while you wish you can save them all, that isn't our job. Our job is to plan the seeds. The Holy Spirit saves so stay in your lane.

Matthew 28:19-20

New International Version

¹⁹ Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, ²⁰ and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

That verse tells us to go do the work. Not results or saved souls but do the work. We get up each day and preach to the gospel in our own way. In the end, we only touch lives the spirit does the work:

Romans 8:9

New International Version

⁹ You, however, are not in the realm of the flesh but are in the realm of the Spirit, if indeed the Spirit of God lives in you. And if anyone does not have the Spirit of Christ, they do not belong to Christ.

So, without the spirit we are not save this is God's job through the holy spirit. We sometimes think we need to be the one saving but God does

this, we need to remember this. In the end we are chose and he will guild us you we got work to do bit remember He has the bulk of it including saving us.

1 Peter 2:9

New International Version

⁹ But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light.

He chose us He cares for us, He guides us. Love and follow him

Always following Him,

Chaplain Tony
