Yesterday fellow Christians we were talking about taking stock of our Gifts. Then pray and meditate these to God. This word meditate is foreign to many Christians. It simply means to pray on the idea, take alone time with God trying to figure it out. Clear your mind of everything else. As it becomes clear that you are doing lots of good building others life up but where you cannot do it any longer this is OK.

Numbers 8:23-26

English Standard Version

Retirement of the Levites

²³ And the Lord spoke to Moses, saying, ²⁴ “This applies to the Levites: from twenty-five years old and upward they^[a] shall come to do duty in the service of the tent of meeting. ²⁵ And from the age of fifty years they shall withdraw from the duty of the service and serve no more. ²⁶ They minister^[b] to their brothers in the tent of meeting by keeping guard, but they shall do no service. Thus shall you do to the Levites in assigning their duties.”

But they did not go away. Still there to be the mentors, teachers and instructors. While not scheduled to work they were available to lead. As we get older we need to find ways to transform this way as well. This is what we are meditating on. God here is what I have been doing here are the gifts you gave me how can I change. Now, the hard part is it is different for all of us. So while we follow the steps the answers differ. We all serve differently. After you Get done with is then you start to pray and meditate on things you can do.

Let me give you an example of that I mean. Looking at my life I still work in hospice still write Bible studiers for seniors. Have hundreds written. I know one day I will not be able to do this and more importantly how can I Multiply this? I currently do 7 weekly services and with working full time as well I am tapped out. So how can I Multiply myself?

Luke 10:2

New International Version

² He told them, “The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.

So, I was looking for a way to multiply myself and insure the forever of the Kingdom of God in the works I have done. Not to glorify me but Him.

Tomorrow, I will let you in on what I am working on,
