People are lonely. God made us to need one another. Often when we visit our loved ones, we find them hungry for interaction. As the chaplain, I see this all the time. They are not getting this interaction with their family, so they are looking to their chaplain to fill this void. Remember that the way God made us is to need one another.

Genesis 2:18

New International Version

¹⁸ The Lord God said, "It is not good for the man to be alone. I will make a helper suitable for him."

God talks about it all the way back in the first book of the Bible. God sees that man needs a helper. Not to get caught up on gender but just the fact of one another we need each other. Even the secular business world sees this. This is why a lot of tasks are done in teams. To count on one another. Yes, I know a lot of people hate this team approach because you have to carry some one but we as Christians do this every day. Sometimes we serve or sometimes we are being served. We don't always give an equal amount. But remember God is the judge of this.

Revelation 20:11-12

New International Version

The Judgment of the Dead

¹¹ Then I saw a great white throne and him who was seated on it. The earth and the heavens fled from his presence, and there was no place for them. ¹² And I saw the dead, great and small, standing before the throne, and books were opened. Another book was opened, which is the book of life. The dead were judged according to what they had done as recorded in the books.

Friends remember this as we walk through the earth. He will Judge at the end. We need to remember to worry about what we can control ourselves, not everyone else. This is Jesus' worry.

John 14:27

New International Version

²⁷ Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid.

What He gives you isn't what the world gives you. The knowledge to know what you can control.

Waiting for Him,
