

29 Sept 2026

As Christians we sometimes forget that Jesus fought the same temptations we face and won. Even though today they differ in appearance they are the same. Rather than computers was in person. Rather than digital was hard copy. The sin was still a sin,

James 2:10 New International Version

¹⁰ For whoever keeps the whole law and yet stumbles at just one point is guilty of breaking all of it.

The Bible doesn't say some are greater than others just to break one of them. So, we need to remember we should not compare what we have done to someone else and say look how much better I am than others. The rulers of Jesus' time did this and today we still do it. We need to remember it is not our place to Judge

Matthew 7:1-2 New International Version

Judging Others

7 "Do not judge, or you too will be judged. ² For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you.

The only one that should judge is the one who lived a perfect life. This is why it is equal and He can see all sides of it. When we judge but not

realize what they are going through. Maybe they just lost a loved one. Been in an accident or gotten a ticket. They come from a completely different place than us. This is why not one of us is the judge.

James 4:12 New International Version

¹² There is only one Lawgiver and Judge, the one who is able to save and destroy. But you—who are you to judge your neighbor?

This is Jesus Himself. We need to remember and have grace as he had grace on us.

Walking in His grace,

Chaplain tony
