

**8 Sept 2026**

**Sometimes we all need to do listen. Not recommend but ask questions. Often when we age, we cannot do what we used to do. We feel like God has taken away a gift. Or do you just have to modify it? Be ready to see how God can make it something better.**

**James 1:2-4**

**New International Version**

**Trials and Temptations**

**<sup>2</sup> Consider it pure joy, my brothers and sisters,<sup>[a]</sup> whenever you face trials of many kinds, <sup>3</sup> because you know that the testing of your faith produces perseverance. <sup>4</sup> Let perseverance finish its work so that you may be mature and complete, not lacking anything.**

**As we grow older, we will face trials we can not do what we used to do. The adversary will use this against us! You're done you cannot do good anymore. But this is not true! We need to sit down and ask questions. What are your gifts? What have you been doing? What can you not do with these gifts and your knowledge then pray on it. Let God lead you. He will find something better.**

**2 Peter 3:18**

**New International Version**

**<sup>18</sup> But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen.**

**So, this is a time we Grow in God for His good. We need to pray and mediate on this. How as a friend can you help? We will cover this tomorrow.**

**Always growing changing my work for Him.**
